We make every effort to be on time. Unfortunately, when even one client arrives late, it can throw off the entire schedule. If a client is more than 10 minutes late for an appointment, the appointment may need to be rescheduled. You may be given the option to wait for another appointment time on the same day, but priority will be given to clients who arrive on time.

We will try to accommodate late clients as best as possible, but cannot compromise the quality and timely care provided to other clients.

We ask that you plan to arrive 10 minutes prior to your scheduled appointment in order to complete the registration and rooming process.

Alder Health appreciates your compliance and understanding of this policy.
